Aims

Ashby Hill Top Primary School is a successful school and the children's attendance plays its part in making it so. We aim for an environment which enables and encourages all members of the community to reach for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly. Children should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. This attendance policy is written to reflect the law and also the guidance produced by the Department of Education.

It is very important therefore that children attend regularly and this policy sets out how together we will achieve this.

Why Regular Attendance is so important:

Any absence (including lateness) affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines and may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason is an offence in law which may result in a Fixed Penalty Notice (for each parent/carer) and/or prosecution.

Amendments to The Education (Pupil Registration) (England) Regulations 2006 remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that Headteacher's may not grant any leave of absence during term time unless there are exceptional circumstances. Headteacher's should determine the number of school days a child can be away from school if the leave is granted.

Absences soon mount up – see the impact of time off over one school year

Attendance	Days Missed	Lessons Missed	Hours Missed
95%	9.5	Approximately 36 lessons	47
90%	19	Approximately 76 lessons	95
85%	28.5	Approximately 116 lessons	142
80%	38	Approximately 152 lessons	190
75%	47.5	Approximately 152 lessons	237

Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

School office staff

School office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system

Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9:30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

Pupils

Pupils are expected to:

- Attend school every day on time

Recording attendance

Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

Ashby Hill Top Primary School
Anti-Bullying Policy
Next review February 2025

See appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age; whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school between 8.35am and 8.55am on each school day.

The register for the first session will be taken at 8.55am and will be kept open until 9.05am. The register for the second session will be taken at 1.00pm and will be kept open until 1.10pm.

Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as practically possible by calling the school office staff.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Please send your request to the school office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code

Ashby Hill Top Primary School
Anti-Bullying Policy
Next review February 2025

- After the register has closed will be marked as absent, using the appropriate code

As part of the Headteacher's monitoring, contact will be made with the parents of children who are persistently late.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit or contact the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels, via termly attendance reports.

Authorised and unauthorised absence

Approval for term-time absence

We believe that children need to be in school for all sessions, so that they can make the most progress

possible. However, we do understand that there are circumstances under which a parent may legitimately

request leave of absence for a child. The Headteacher has the discretionary power to grant leave if it is considered there to be special circumstances relating to that application.

Special Circumstances DO NOT include the circumstances such as:

- Wanting to go away for the weekend
- Wanting to take a family holiday
- Friends or family organising a holiday without realising when school holidays fall
- The financial implications of going on holiday (i.e. it's cheaper to take a holiday during school time than during school holiday time)
- Taking a Friday off "to avoid the traffic" etc. when going away for the weekend
- A day off for a special occasion (e.g. birthday)
- Flight times (etc.) not coinciding with school hours
- Leaving school early on the last day of term

No absences will be authorised:

- During the week of, or the week before; Year 6 SATs for any reason other than illness

Ashby Hill Top Primary School
Anti-Bullying Policy
Next review February 2025

- During winter weather (e.g. snow & ice) when school has managed to stay open, unless school has been previously notified (e.g. hospital appointment), children are expected to attend school as usual.

In brief, the regulations mean that:

- Parents cannot demand a leave of absence as an automatic right
- Parental requests must be in writing and the Headteacher may ask for additional information before making a decision
- The Headteacher will not apply blanket policies to approve/reject all applications
- All requests must be considered on their own merits but there must be special circumstances before the request is granted
- Extended periods of absence will be granted only in exceptional circumstances

Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Promoting Regular Attendance:

Helping to create a pattern of regular attendance is everybody's responsibility – parents/carers, pupils and all members of school staff.

To help us all to focus on this we will:

- Implement a clear and coherent whole school policy on attendance
- Ensure that all staff subscribe to a consistent, whole school approach to improving and maintaining pupil attendance
- Detail parental responsibilities for attendance in the school prospectus and at admission meetings giving a clear message on the law, times of school day and procedures in cases of absence
- Provide curriculum support for individual pupils with an identified need in order to prevent disaffection which may lead to non-attendance

- Introduce reward and incentive initiatives
- Inform parents of attendance initiatives by letter, newsletters and at Parents' Evening
- Make contact with parents/carers on 1st day of absence
- Monitor all pupils with less than 95% attendance
- Send letters to parents/carers regarding concerns where attendance falls below 93%
- Monitor attendance patterns and punctuality and using data for comparative purposes
- Reward high attendance 98% or above
- Keep school governors informed of all attendance matters via termly Headteacher's reports

Class teachers will be responsible for monitoring attendance in their class, and for following up absences in the appropriate way. If there is concern about a child's absence, they will contact the school office immediately. If there is a longer-term general worry about the attendance of a particular child, this will be reported to the Headteacher, who will contact the parents or carers

Attendance monitoring

The Headteacher will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Analysing attendance

The Headteacher will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years. At every review, the policy will be approved by the full governing board.
