Authorisation

Individuals who would like to visit the school, but are not in contact with a member of staff regarding this, will arrange their visit through the school office, who can be contacted on 01530 270371.

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they belong to where applicable.

The school office will be contacted about a proposed visitation at least two weeks in advance. The school office will pass all details on to the headteacher for a final sign-off before getting back to the visitors and confirming the details of their visit.

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office for the headteacher's authorisation.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the headteacher/other staff members where these members of the school staff are happy to do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined in [section 4](#).

Safeguarding

The school is committed to promoting the safety of all pupils, and may require visitors to undertake a DBS check depending on the purpose of their visit.

A visitor will require a DBS check if they work in 'regulated activity'. Regulated activity is defined as:

- Regular teaching, training, instructing, caring for or supervising pupils if the individual is unsupervised.
- Regularly providing advice or guidance on physical, emotional or educational wellbeing.
- Regularly driving a vehicle only for children.
- Regular work for a limited range of establishments (known as 'specified places') with the opportunity for contact with children.
- All relevant personal care, including helping a child with eating and drinking for reasons of illness or disability or in connection with toileting, washing, bathing and dressing for reasons of age, illness or disability.
- All health care for children provided by, or under the direction or supervision of, a regulated health care professional.

DBS checks will be undertaken in accordance with the DBS Policy.

The headteacher will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils.

The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.
