

Name: .....

Date: .....

*So, you have trained hard to master your multiplication  
AND division facts for your 4 and 8 time tables. Only the  
mighty Superman stands between you and glory!  
Good Luck!*

$6 \times 4 = \underline{\quad}$

$12 \div 4 = \underline{\quad}$

$8 \times 11 = \underline{\quad}$

$9 \times 8 = \underline{\quad}$

$72 \div 8 = \underline{\quad}$

$4 \times 4 = \underline{\quad}$

$8 \times 6 = \underline{\quad}$

$1 \times 8 = \underline{\quad}$

$8 \times 8 = \underline{\quad}$

$4 \times 10 = \underline{\quad}$

$12 \times 4 = \underline{\quad}$

$40 \div 8 = \underline{\quad}$

$12 \times 8 = \underline{\quad}$

$11 \times 4 = \underline{\quad}$

$80 \div 8 = \underline{\quad}$

$4 \times 2 = \underline{\quad}$

$8 \times 4 = \underline{\quad}$

$4 \times 3 = \underline{\quad}$

$8 \times 10 = \underline{\quad}$

$48 \div 4 = \underline{\quad}$

$24 \div 4 = \underline{\quad}$

$32 \div 8 = \underline{\quad}$

$28 \div 4 = \underline{\quad}$

$8 \times 4 = \underline{\quad}$

$4 \times 6 = \underline{\quad}$

$4 \times 5 = \underline{\quad}$

$5 \times 4 = \underline{\quad}$

$7 \times 8 = \underline{\quad}$

$8 \times 2 = \underline{\quad}$

$4 \times 8 = \underline{\quad}$

$64 \div 8 = \underline{\quad}$

$7 \times 4 = \underline{\quad}$

$8 \div 8 = \underline{\quad}$

$8 \times 12 = \underline{\quad}$

$9 \times 4 = \underline{\quad}$

$88 \div 8 = \underline{\quad}$

$4 \times 11 = \underline{\quad}$

$8 \times 1 = \underline{\quad}$

$4 \times 8 = \underline{\quad}$

$8 \times 3 = \underline{\quad}$

$2 \times 4 = \underline{\quad}$

$11 \times 8 = \underline{\quad}$

$8 \times 9 = \underline{\quad}$

$56 \div 8 = \underline{\quad}$

$36 \div 4 = \underline{\quad}$

$8 \div 4 = \underline{\quad}$

$32 \div 4 = \underline{\quad}$

$96 \div 8 = \underline{\quad}$

$3 \times 8 = \underline{\quad}$

$4 \times 12 = \underline{\quad}$

$10 \times 4 = \underline{\quad}$

$48 \div 8 = \underline{\quad}$

$4 \times 7 = \underline{\quad}$

$2 \times 8 = \underline{\quad}$

$40 \div 4 = \underline{\quad}$

$16 \div 4 = \underline{\quad}$

$6 \times 8 = \underline{\quad}$

$10 \times 8 = \underline{\quad}$

$5 \times 8 = \underline{\quad}$

$4 \times 9 = \underline{\quad}$

Superman is astounded that you are so fast! He tries to use some word problems to distract you...

1. 4 cows have 4 calves each. How many calves are there in total?
2. I have 48 cookies and can fit 8 cookies into a box. How many boxes will I need?
3. In a school there are 96 children. There are 12 classrooms. How many children are in each class?
4. Jessica plants 8 trees a day starting on Monday. How many trees have been planted by Sunday?
5. There are 9 windows on a house. How many windows on 4 houses?

Your time	
Time needed to beat Superman	5 minutes
