Catwoman is astounded that you are so fast! He tries to use some word problems to distract you...

1. 6 cows have 3 calves each. How many calves are there in total?
2. I have 36 cookies and can fit 6 cookies into a box. How many boxes will I need?
3. I have 12 friends coming to my party. I would like each friend to have 3 slices of pizza. How many slices do I need in total?
4. Jessica plants 3 trees a day starting on Monday. How many trees have been planted by Sunday?
5. There are 6 windows on a house. How many windows on 4 houses?
