I love to travel...

and to jump
from hand to
hand to say Hi

HIGH
FIVE

Have you heard about me?

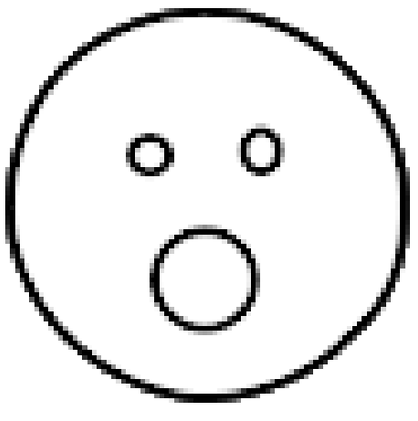
YES

NO

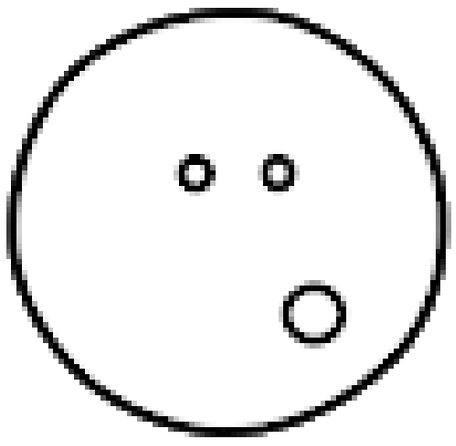
And how do you feel when you hear my name?

Relaxed

Confused



Worried



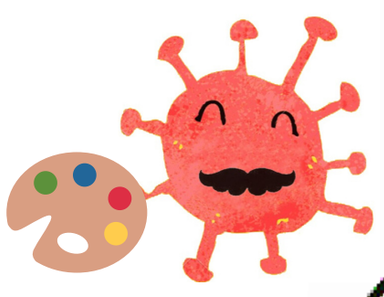
Curious

Nervous

Sad

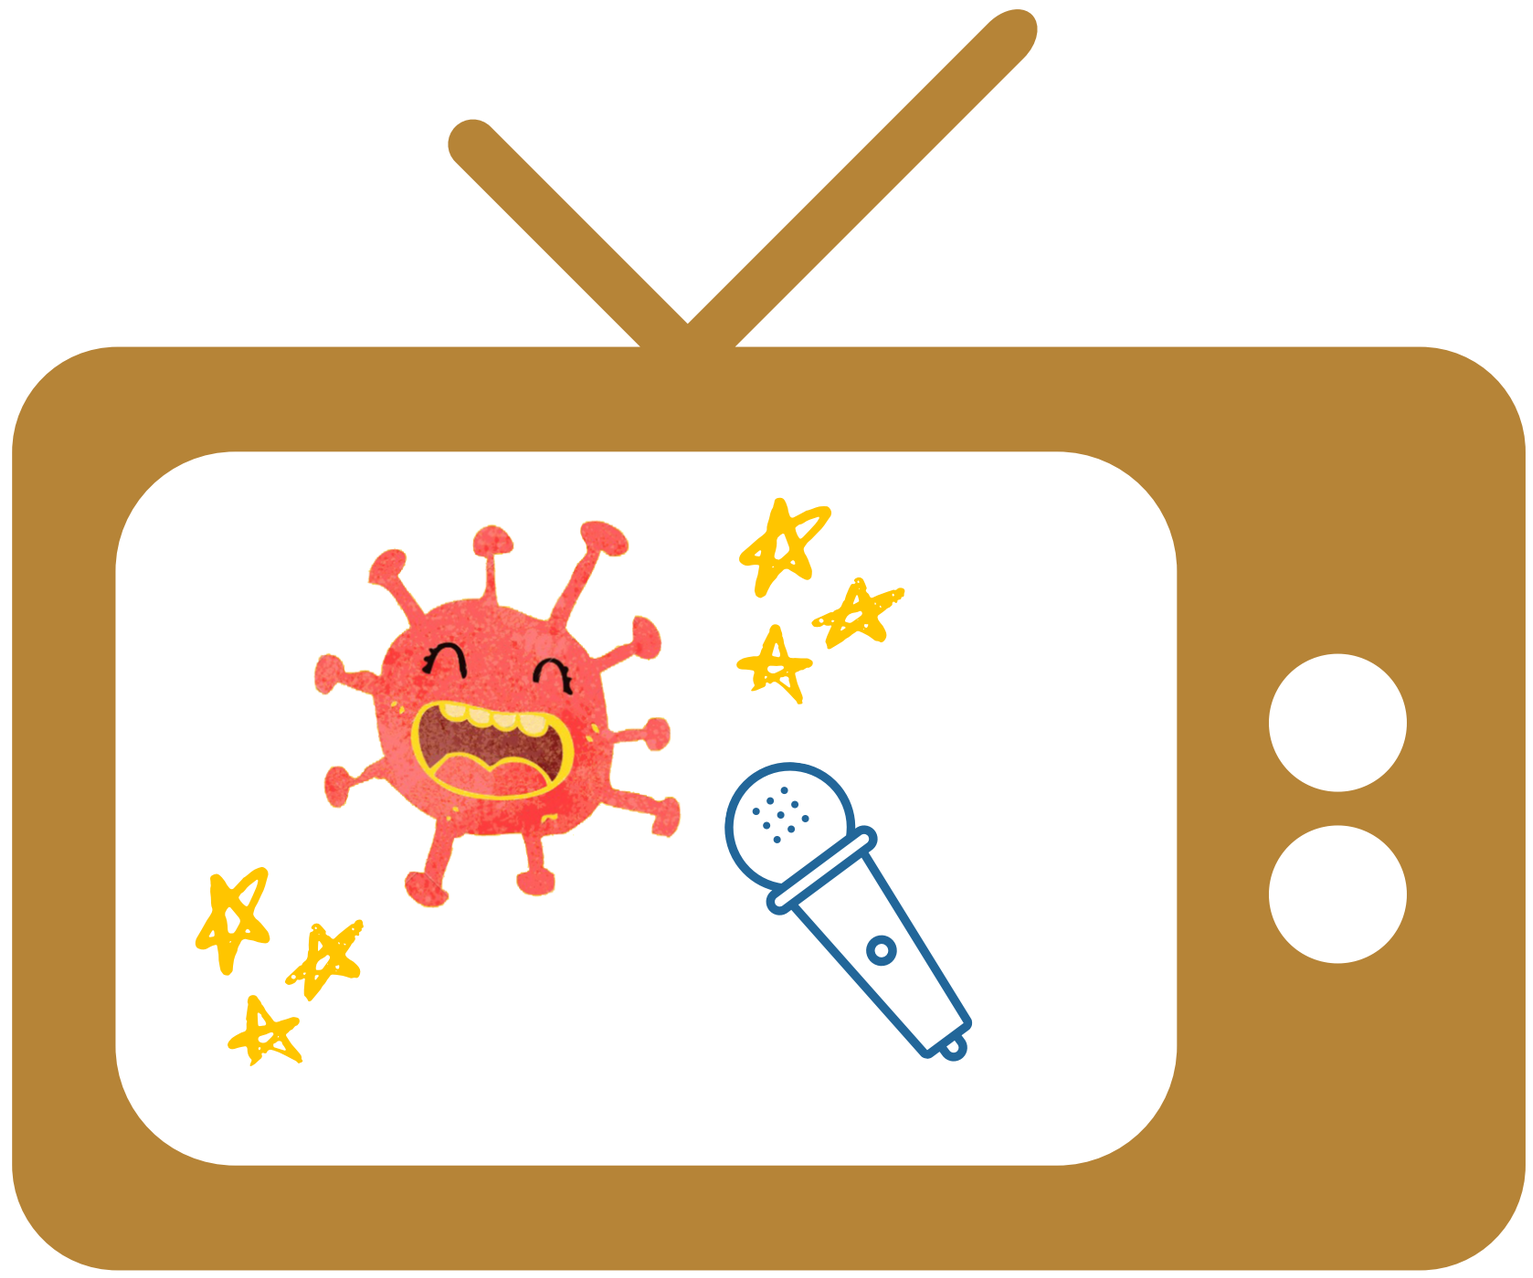
I can understand you feel...

Draw it here



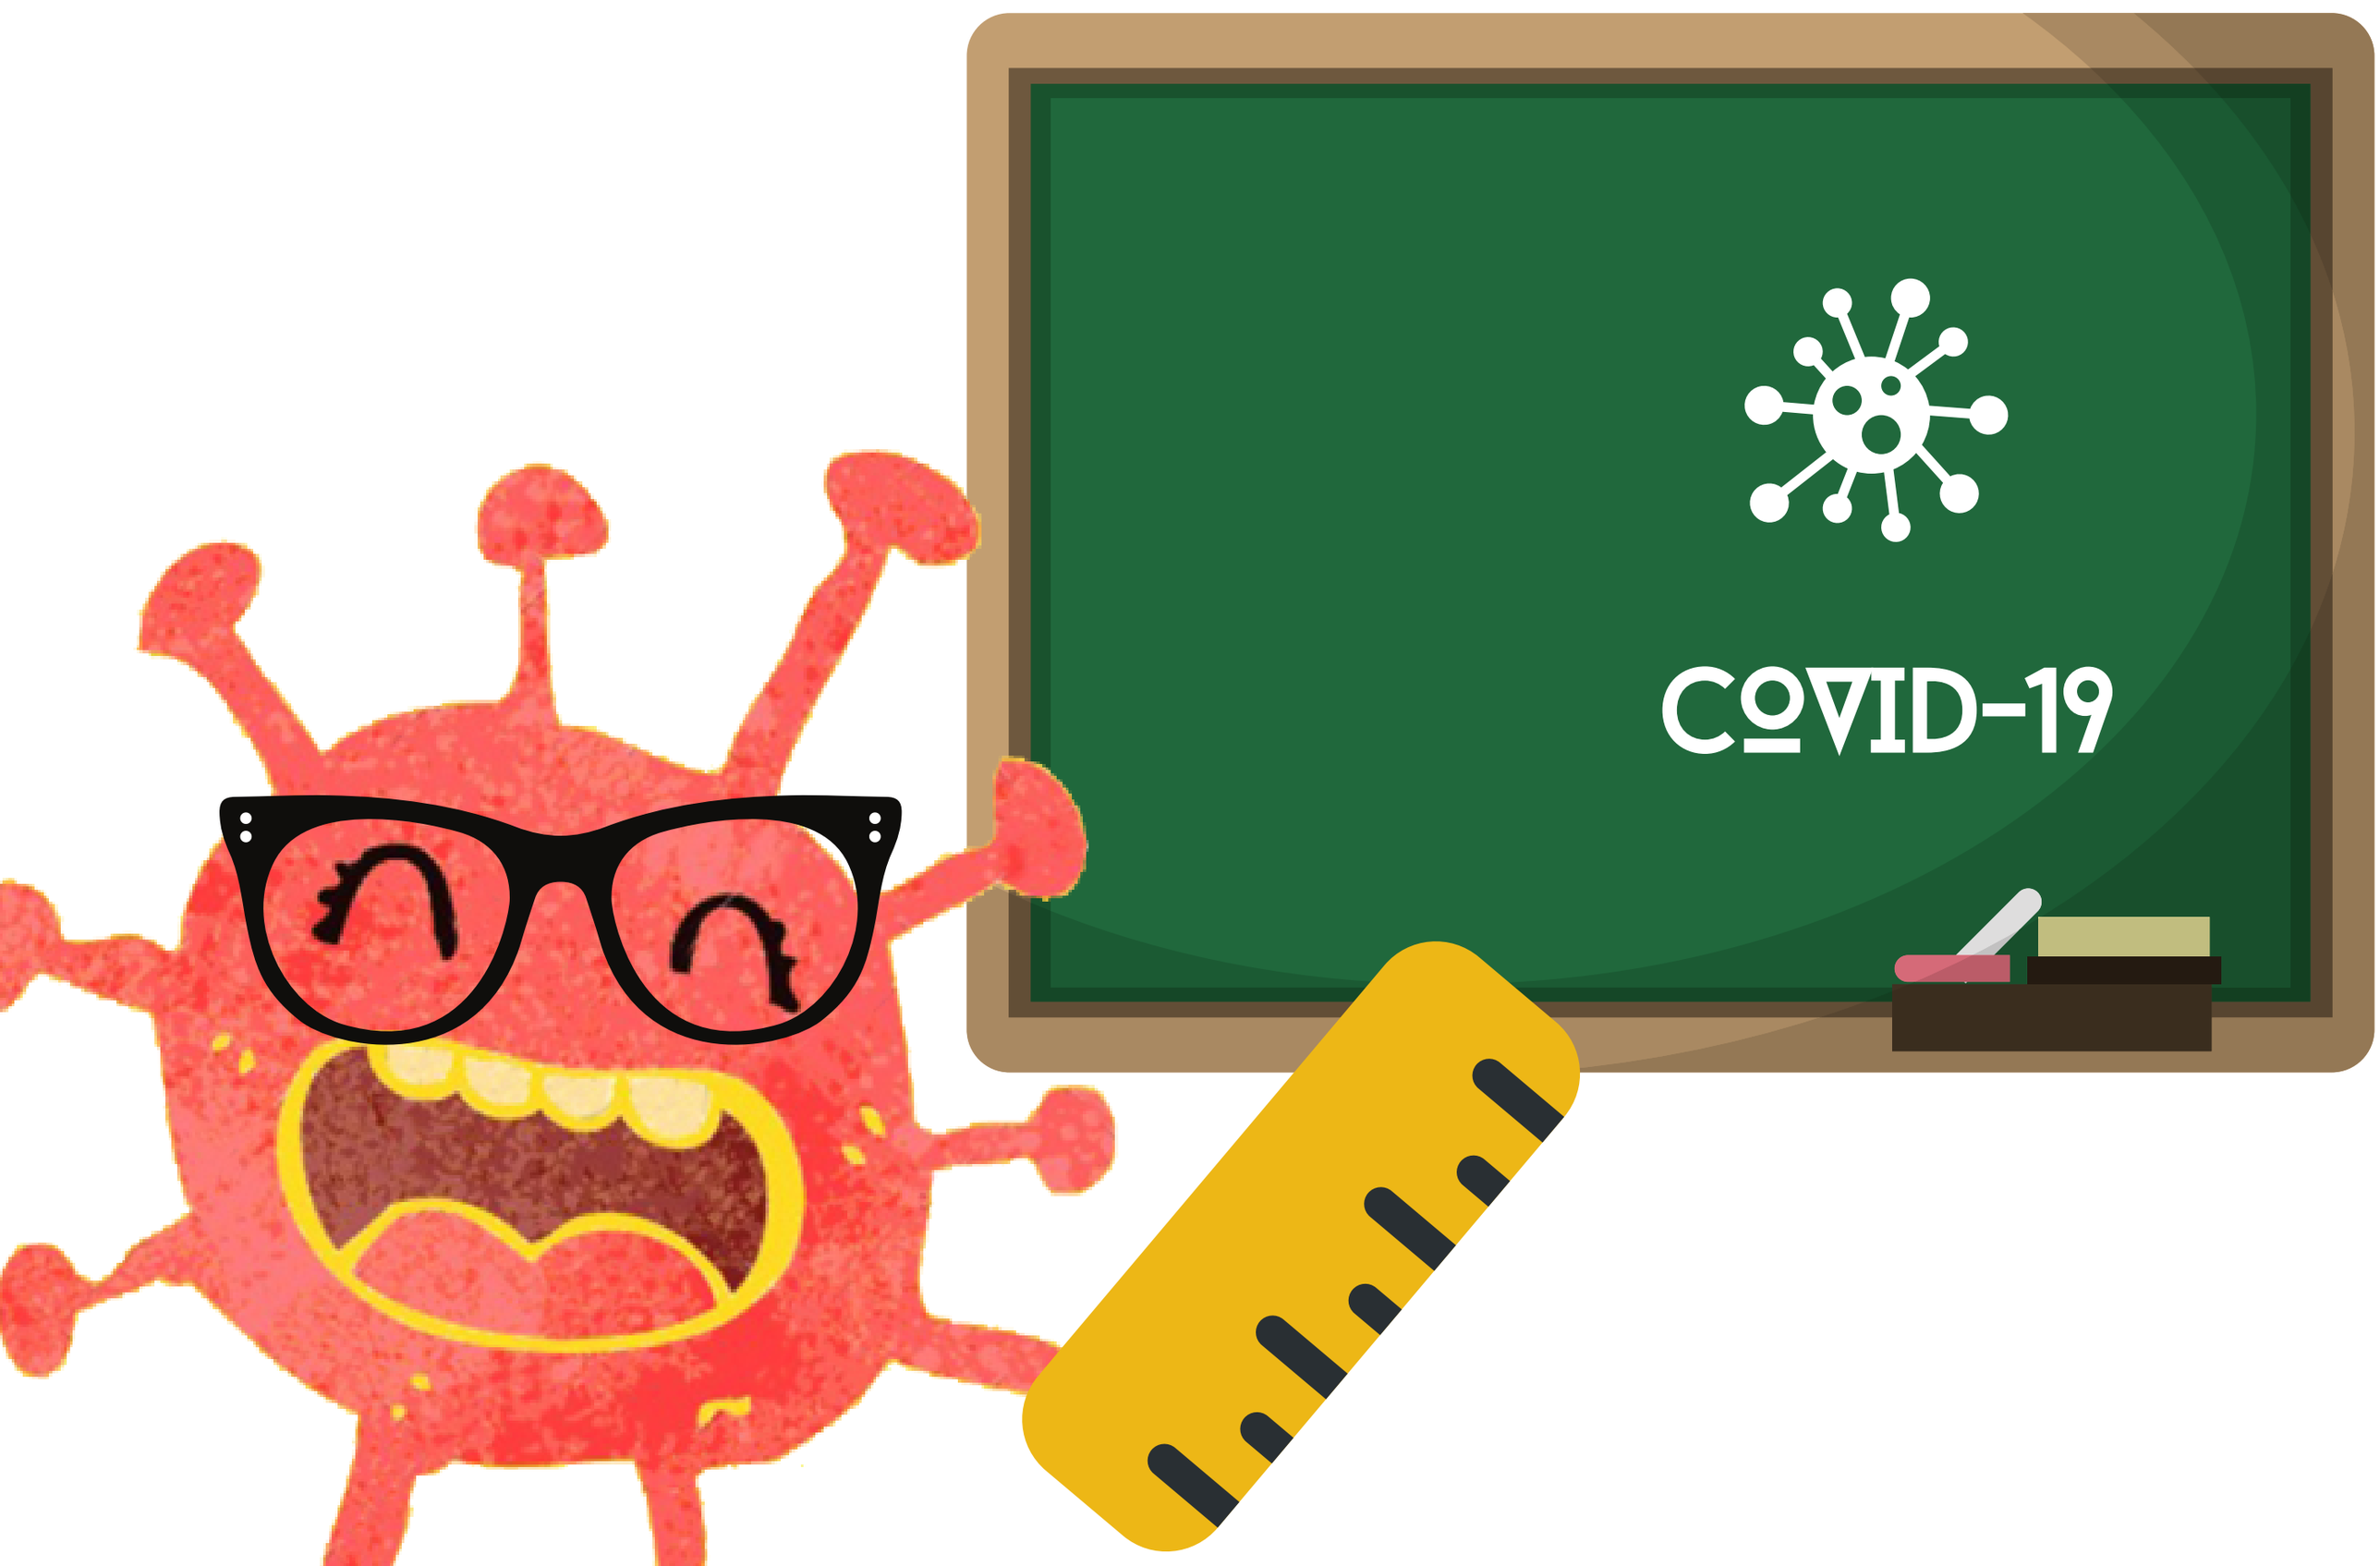
...I would feel the same way

Sometimes adults get worried when they read the news or see me on TV



THAT'S ME!

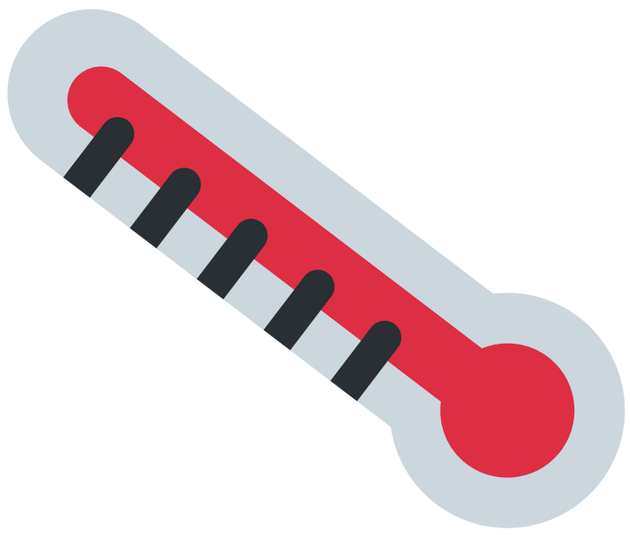
But I am going to explain myself...



So you can understand...

When I come to visit, I bring...

Difficulty breathing



Fever

Cough

But I don't stay with people for long, and almost everyone gets better

Just like when you get a scrape on your knee and it heals

BYE BYE...

Dont you worry!

The adults who take care of you:

will keep you safe

And you can help...

1

By washing your hands with soap and water while singing a song

You can sing your favorite song, the happy birthday song, or the alphabet song

2

By using hand sanitizer and letting it dry on your hands

Without moving them count to 10

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Once your hands are dry you can get back to playing!!

If you do all that
I will not come to visit

while the doctors work to find a vaccine
that will allow me to say hi
without getting you sick.
